St Michael's Church

Apologies: Cllr Gray, Cllr Wheeler (Wiltshire Council)

One member of the public was in attendance.

1. **Approval of Minutes from 29th March 2023:** Proposed by Cllr Wilson; seconded by Cllr Weatherill; unanimously approved.
2. **Matters arising:**
 - 2.1 **Road safety:** Cllr Ball will contact Wiltshire Council to explore options for improving visibility and road safety at the junction of the road heading north from Chisbury and the A4.
 - 2.2 Councillors discussed the state of the local roads, and specifically potholes. They noted that the large pothole close to the junction of Brown's Lane and the northward road to Chisbury had been partly filled in (since being reported to Wiltshire Council), but also noted that this part of the road has been repeatedly patched up over the past couple of years but that the pothole typically reappears within months. They also noted that other potholes in the parish that have recently been semi-filled in have already reopened. Councillors encourage people to report all such issues to the My Wiltshire website: <https://my.wiltshire.gov.uk>.
3. **Street market and coronation party:** This was held on the Playing Field on Sunday 7 May. The event was a great success, and Councillors thanked the Little Bedwyn Street Market Committee for all their hard work in organising it.
4. **New website:** The Parish Council will shortly launch a new website that will be used to publish all council information.
5. **Planning:** The following planning applications were received since the last council meeting:
 - PL/2023/03386: no comments submitted
 - PL/2023/01774: no comments submitted
 - PL/2023/02559: no comments submitted
6. **Council meetings for 2023/24:** Dates for the coming year's Parish Council meetings will be agreed shortly and published on the Parish notice boards.

The meeting ended at 8.25pm.
